“ Gary Nixon was the love of my life. He helped me with so many things and I helped him in return. He was a gentleman and the best partner I have ever had. We had so much fun together dancing, playing pool, singing karaoke, golf darts you name it. We always had adventures some funny some great but always and adventure. The one thing that I do know about Gary is he loved me with all his heart and I loved him back. I will always love him and there will be a place in my heart for him. Stacy

“ Gary was the most beautiful man both inside and out. It is hard to process him gone so soon. I can only imagine what it's like for his family to bare. Our paths first crossed when we were in our early twenties. He was always full of energy and laughs. He loved my little boy like his own. They would play for hours. To me he was a sweetheart and a gentleman. Everyday was filled with fun. He brought much love and meaning to our lives that I will always remember. Unfortunately though he was the one that got away. How I will regret that and even more so not telling him when we caught up again 6 years ago. My sincere condolence to his family that he loved and spoke about often. I share your grief, but life is short, and knowing that our lives will cross again in heaven soon gives me great comfort. May God bless you with peace, comfort and understanding. Sherry Willmon
