“ I flew with Chuck as a fellow CAP pilot. Chuck was a great pilot and a great friend. He had a great sense of humor and just a wonderful personality in general. Always one to jump in where needed, and get the job done. And done well! We will miss you, Chuck.

“ Chuck was wonderful to my husband and I when we started attending the Kerrville CAP squadron. He made us feel welcome and helped in making us feel a part of the squadron. He got me to take his job of personnel and was a great help. Will always cherish his kindness, friendliness and helpful ways. Truly a great man.
