“ We knew Judy and her family from Aldersgate UMC in Charlottesville, VA. Rick had also worked with Pete at GE. Judy was a funny and warm woman. She was easy to talk to and always made you feel like you were important . She will be missed, but no doubt she is in heaven and is enjoying the love. Condolences and warm hugs to Pete, Kristy, and Kelly.

“ I first met Judy at Grace Avenue UMC. However, really our friendship began at the Denton Natatorium as water aerobics buddies. There along with Cheryl Slight, we solved all of the world's problems, bragged on our families, shared prayer request and celebrated God's love all while getting in our exercise and working to keep our heads above water. She was always so uplifting and wise. When she found out I had never owned or even knew what a 'meat masher' was, she bought me one and I'm not sure how I managed to cook for 50+ years without it! I never use it that I don't smile and think of her! So giving, so loving and so much fun! Her love for her family was never ending. I feel like I know each and every one of them. Thank you, Pete, for sharing Judy with us. Her friendship was a true gift from God to me. I will always be grateful for our times together.
