“ My heart is saddened with the news. I pray for Mike’s wife Jane, as she grieves and as she moves forward in life without him. I pray that my grandchildren will one day know the man he was. My Condolences to all who loved him: family and friends.

“ I remember Mike's first week at Toyota. He was in one of my training classes. He was the only one who stopped me after the class to ask questions. From that day, I thought very highly of Mike. He understood the culture and helped improve it with his experience. The family is in my prayers.

“ I was fortunate enough to work with Mike over the last 4 years. He always had this goofy sense of humor which always made him a joy to be around. We will truly miss Mike. My heart and thoughts are with all of you.

“ I first met Mike as a Quality Seibi tech doing vendor confirmation. We worked together again on a project in Texas. Mike will be missed by all those who knew him. My thoughts and prayers go out to Jane and his family.

“ I first met Mike at Toyota Arizona Proving Grounds (TAPG) when we were new to TMNA CQS and obtaining our Middle Class Driver's License. Mike was the only other CQS member there, so we got to know each other over the fun week of driving at the test facility and sharing experiences.

To Mike's family and loved ones: You in my thoughts and prayers. He will be missed!

“ Mike grew up across the street from our family. He was a great kid. My prayers go to his family. His time on earth was too short.

“ When my wife and I moved into the neighborhood Mike was the first person to greet me.
It was nice to know and appreciate that he was a fellow ex-military guy. The only one I knew of in our block. Jane please know, that we will truly miss Mike. Our deepest condolences and prayers are with you, your family and Mike's family.
