“ Mother, You truly amazed me in your final days. What a strong woman you proved to be. You never complained about pain or suffering until your body said I'm done. I will never question where my own strength comes from. I feel so very blessed for the time we had together to laugh, talk, sing, and dance. Our final weeks together will always provide me with wonderful memories of your happy ending before going to Heaven to be with my grandma and sisters, dad, and so many others who were waiting for you. Valentines Day will never be the same for me, because you were my funny Valentine. Love you forever!
