“ I just want to say Santiago was a good man. He was kind and funny. He was a good friend of my mom Luzgarda Ortega. He would always be helping her fix her cars and even worked on mine. I remember I used to tease my mom and say hi daddy when I would see him. Santiago would be laughing. And she would say I was crazy. He helped mom alot. thank you Santiago. Those were the good old days rest in peace Santiago.

“ Uncle Jimmy.... Aka (The Javelina) my grandpa Cecil Ortegas Best friend and partner in crime, oh how you brought so much joy, laughter, and tears of joy to me and our family over the years... you truly will be missed!!! Watching and hanging around you and grandpa were the best days of my life it was like hanging around 2 middle school kids with all the jokes and conversations we had, you always making grandpa and me laugh over the littlest things or most of the time over nothing really, you always knew just what to say to keep us going. The last couple of years were the BEST watching you still trying to work on cars still even though you could barely see or even turn a wrench you still gave it 100% like an 18 yr old boy and never quit. Ill will never forget you waking me up and scaring the hell out of me EVERY Thursday mornings dragging your trash cans down the driveway behind the truck make all the dogs bark and go crazy.... Thank you for being an awesome mentor and an great friend/ family member, I will never forget you and will forever be missed. Rest High in the sky jimmy and make sure you and grandpa continue where you two left off!!!
Love you Jimmy
