“ I have so many fond memories of our youth. He was such a jokester, always making us laugh. We were double cousins and I was always proud of that relationship, he will be sorely missed by all who loved him.

“ I never met Mr. Gressett but I know his son Danny well. Danny is one of the finest men I know, and that has to be direct reflection of the kind of man his father was. May the Lord touch you with his healing hand during this difficult time.
