“ Naomi and Carrie, and Alans family members, The good memories we had together all those years ago, are often remembered with love and laughter. We had such good times together. I will never forget Alans teasing and how much he would do things to get us to laugh. I was going through my cookbook yesterday and found a recipe for Plizza that said from Alan and Naomi Hauf, Nebraska. We made that pizza recipe many times while playing cards together on cold winter nights. I think the last time I saw you, in person, you stopped at my parents farm in Kansas to see us, Carrie was about nine if I recall. We have stayed in touch at the holidays all these years and then on Facebook the past few years. May you find comfort in the memories. HUGS
