“ *Al was a friend, and one of our favorite camping buddies. Al could/would talk to anyone. He was their friend immediately.*

If you were looking for Al, you could almost always find he and his dog, Jack, out for their daily walks. Often times I would see he and Jack collecting empty cans he could recycle for money to save for his granddaughter, Taylor.

What fun times we shared camping. The men would fish, and the girls would hike. Then the men would cook a fresh fish dinner to enjoy around the campfire. These times will always be in my memory .

I look forward to seeing you in Heaven, Al.
