“ Amy was a true friend, a great gift giver and a lover of animals and spirits. She had a contagious laugh. She would go with me to see my husband play music and keep me company. She loves the fact that she was the first person to see my new cars,lol. I'm going to miss our fun banter and talks about crystals and spirits. “Maybe they are not all stars in the skies,but our loved ones shining down to let us know they are at peace”
