“ We are so sorry to hear of Jane’s passing. She was a wonderful person and I remember the good visits my mom and dad had with your parents. She was always so hospitable. I especially remember how thankful I was to have her encouragement when my first child was born and I didn’t know much abt certain things. She’s blessed me and know we will see her again in heaven. Prayers for the family.

*My sincere condolences to the family. Jane was a great friend and will be sorely missed. She was also the best co-worker that I had in 34 years of work. May each of you know the peace that comes from knowing how much she meant to me and others.*

“ To Jane's Family,  
I just found out about Jane's passing on Feb 22 and it saddens me greatly. She was a dear friend and the absolute best secretary I had in 35 years of working. We talked frequently by phone and I stopped to visit with her every 2 months or so until I became ill last September and spent most of 3 months in the hospital. I still cannot get out so must miss her services. Please accept my sincere condolences and heartfelt sympathy for her passing. The world was better for her presence and lesser without her.
