“ *So very sorry to hear about the passing. I am Joe Carney's Granddaughter. I have seen Billy Gene and Ann at the old Carney Reunions. We have lost a lot of the old Close family in the past 10 years but that's the way life is planned. For the family's information I have worked on the Carney Line for the past 20 years and have it complete back to the 1600s. If anybody is interested please let me know.*
