“ My deepest condolences to Ann's family and friends during this difficult time. Ann was my neighbor in middle school and high school. She quickly became one of my best friends before moving away. I have many, many memories with her and her beautiful smile. I know she adored her sister, Amy and her step brother. She used to brag about what a beautiful mom she had. I know you will all miss her so very much. My thoughts and prayers are with you all. God Bless you all and may she rest in peace. xoxo
