“ You've been my "Other Mother" for over 52 years. You've always treated me and my family just like we were part of your own and not once did I ever doubt your love. We've laughed and enjoyed so many times together. We cried together when we lost Danny and Grandad and you were there for me when Daddy and Momma went to heaven. You've always been my rock for the happy times and for the sad. Thank you for your love and support and for giving me the sisters I never had. Jesus' promise for those of us who are hurting...Matthew 5:4Blessed are those who mourn,For they will be comforted.We love you Granny...like the song says, you are "Unforgettable!"
