

## Mr. Anthony Francis Moreno

January 17, 1953 - December 12, 2025

Anthony Francis Moreno, 72, passed away Friday, December 12, 2025, in Oak Point, TX. Anthony was born January 17, 1953, to Antonio Perez and Anne Elizabeth (Martin) Moreno in Madera, CA. He married Catherine Louise Dudley, August 2, 1986, in Las Vegas, NV.

Anthony Moreno was a devoted husband, loving father, and proud grandfather whose life was defined by kindness, service, and faith. To his family, he was a steady source of love, wisdom, and support, always placing their needs above his own and taking great joy in the moments they shared together.

Anthony was also a caring neighbor and a gracious, loyal friend. He had a quiet way of making others feel welcome and valued, whether through a friendly conversation, a helping hand, or simply being present when someone needed him. His generosity of spirit left a lasting impression on all who knew him.

Professionally, Anthony enjoyed a distinguished 38-year career with NASA, from which he retired with pride. His dedication and hard work reflected his deep sense of responsibility and commitment to excellence, contributing to a legacy of service that spanned nearly four decades.

From a young age, Anthony embraced the values of leadership and service as an Eagle Scout, and he carried those ideals throughout his life as a dedicated

adult Scouter. Mentoring young people and giving back to the community brought him great fulfillment.

A man of deep faith, Anthony was an active and devout parishioner who faithfully served his church for many years. He shared his musical gifts as a choir member and bass player at several parishes, using his talents to uplift worship and bring people together in praise.

Anthony took great pride in the Texas home he built for himself and his beloved wife, often calling it “the best house I’ve ever lived in.” It was a place of comfort, love, and cherished memories—a true reflection of the life they built together.

Anthony Moreno will be remembered for his unwavering love, gentle spirit, and the many lives he touched. His legacy lives on in his family, his faith, and the countless people who were blessed to know him.

Anthony is preceded in death by his parents Antonio and Anne.

Anthony is survived by his wife, Cathy Moreno of Oak Point, TX; son, Kyle Moreno of Los Angeles, CA; daughter, Rachael Zink and husband Stefan of Wolnzach Germany; three grandchildren, Emma Moreno, Klara Zink, and Tristan Zink; brother, Charles Moreno of Madera, CA; two sisters, Mary Anne Moreno of Fresno, CA, and Elizabeth Anne Moreno of Los Angeles, CA; and niece, Lauren Gagnon of Vassalboro, ME.

Anthony was such an incredible person. I remember when him and his beautiful wife moved in across the street. I was working in my flower bed and he came over and introduced himself. We started chatting about anything and everything and it felt like I've known him forever! I'm going to miss those chats about life, landscaping and sports. I've learned so much from him and I feel so honored to have met him. He will definitely be missed. Rest easy, my neighbor. Until we meet again.

Tammy he loved you and Brandon, and every neighbor he met in Wildridge - especially those living nearest with whom he chatted constantly. Thank you for being such good friends to him!

“Anthony was more than a neighbor, he was a friend, a listener, and a genuinely good person. I will always treasure the insightful conversations we shared and the warmth and kindness he and Cathy showed our daughter. His presence will be deeply missed, but the impact he made will always remain. The world is better for having known Anthony.

“Anthony was the “big brother” God blessed me with. His concern for my well-being has always touched me. His devotion to the Lord was always so admirable and lovely. His love for Cathy was evident in words and the things he did for her. His excitement about moving to Texas and the joy of building their great house will always stay with me. You will be missed so very much, my dear friend. Rest well with God, Anthony, thy good and faithful servant.

*I met Kathy and Anthony I believe in 1983. They were my neighbors across the street. While we live there, we always looked out for one another. My son used to walk Rachelle to the bus stops when she was little I used to do Rachelle's hair before her dance performance lol. Wonderful people. I used to ask Anthony about voting which candidates were good. He never steered me wrong. He was very knowledgeable about everything. Although we didn't get to visit much after we all moved, but I always felt like they were wonderful people and glad to have known them and call them my friend. God bless you all.*
