“ Art has been such a huge part of my life since 1962. He and Sandra were closer than family. I know that they are rejoicing in heaven today. Sandra doesn't even need a phone to talk to Jesus. And Art's knee really doesn't hurt anymore. He always said it didn't when it was clear he was hurting .  
I love you!!!!

Art loved people and it was evident by the way he treated them. He quietly gave without drawing attention to himself. I'm proud to be his pastor. Roger Greer
