“ Ashely was the best aunt that i could ever ask for. She pretty much rasied me and i could never ask for anyone else. She always had a smile on her face, no matter how much pain she was in. I love you Ashely, i really really do . I hope youre having fun up there. DJ misses you a lot, so does kaleb. I miss you so much. I wouldve given anything up if that meant you couldve stayed but youre no longer in pain and thats all i could ever ask for. I love you

“ Ashley was one of the nicest, most genuine people I've ever met. We grew up together and were very close in junior high. Even though we hadn't seen each other in years, we reconnected through social media and she was always so supportive and complementary and I always appreciated every message with her. She was so sweet and always hopeful and had the most beautiful curly hair. She will be missed and thought of kindly forever.
