“ We are so sorry to hear of Barbara's passing, but rejoice that she is in the arms of the One she loved so dearly. Barbara will always hold a special place in my heart. My mother had passed a couple of years before I moved to Midland. I was taken back when I first saw Barbara because she and my mom could have been twins. The resemblance was unbelievable. Barbara was such an encourager to me as I was going through a very difficult time in those days. I loved her dearly. She will be missed.
