

Bernadette Patricia (Griffin) Clancey

April 30, 1970 - December 19, 2023

Bernadette Patricia (Griffin) Clancey, 53, passed away Tuesday, December 19, 2023, in Dallas, TX. She was born April 30, 1970, to Bruce E. Griffin Sr. and Bernice (Marko) Griffin, in Miami, FL. Bernadette married Chris Clancey on March 15, 2003, in Denton, TX.

Bernadette absolutely loved being a beautician, especially for the little ladies at the nursing home. She worked for JC Penny's doing hair for 28 years. She loved to laugh and joke and talk about the good times. Among her favorite things to do are the casino, going to Cozumel, ziplining, going to the movies, country music, and horses. Her favorite color was pink, and she will always be our Shelby from "Steel Magnolias."

Bernadette is survived by her husband, Chris Clancey; son, Jake Jasent of Tulsa, OK; daughter, Jordan Jasent and grandson, Collin, of Denton, TX; sister, Bernice G. Vickrey of Pilot Point, TX; brothers, William Troup, Bruce A. Griffin, Greg Griffin, Bruce E. Griffin Jr., all from FL.; uncle, Tim Griffin; cousins, Harry Wayne Casey, Jody, Jeff, Trisha, and Jennifer; and several aunts and uncles.

She is preceded in death by her parents, Bruce, and Bernice; uncles, Butch and Buddy; as well as a few cousins and nephews. We know they were all there to welcome her and she is dancing in the sky. No more pain and no

more worry.

Resting in the words of Romans 38 and 39 the family wishes to share, “This powerful passage highlights the inseparable love of God for his children. Pink also associated with love and affection serves as a reminder of the unbreakable bond between God and his people. It reassures believers of God’s unwavering love, regardless of circumstances or external forces. Pink is the compassionate love of God.”

A memorial service will be held at 7:00 PM on Monday, February 12, 2024 at Slay Memorial Funeral Center, Aubrey, TX. In lieu of flowers, the family request donations to the American Diabetes Association, P.O. Box 7023, Merrifield, VA 22116-7023 or online at www.diabetes.org

“ This Monday I looked at your Facebook to see if your birthday was the 29th or the 30th of April. I kept scrolling until I saw you had passed away. I was shocked and saddened! 😞

The last time I saw you was on my wedding day June 2021. I had invited Bernie to my wedding at Lake Texoma she said yes, and wanted to do my hair and makeup. It was a great day! I had just retired, married, and moved back to my hometown. My life 32 days later was shattered when my new husband passed away. We spoke a few times as you checked in with me but due to grief, loss, and having to move again, I pretty much focused on surviving and coping for the next few years.

Bernadette was such a fun person! I met her through her son Jake. I was his fourth-grade teacher and she became my hairdresser back when she worked for JCPenney's. She let me know quickly... I'm not going to live to be old, and she explained her diabetes struggle. Over the years we went to the lake, pool, KC concerts, out to eat, and a few casinos together. We got kicked out of a restaurant for being too loud! IMAGINE THAT! Another time I was having trouble with an unmentionable problem... constipation! She said don't buy laxatives just eat 12 Sugar-Free Russell Stover candies and Puff 🌟 you will be fine, but just don't go anywhere. Yep, it works and for the first 5 minutes after it hits, you think...maybe this was a bad idea! It worked. 😊

Bernadette was a fun-loving person with the most infectious laugh, fiercely protective of friends and family, sparkling eyes, and a sweet smile. Happy birthday in heaven my friend. 💕💕

“ I meet Bernie when we worked together at JCPenny Salon. She was so sweet and funny! We had some great times together and we use to watch Jake and Jordan when they were little kids. We kept in touch over the years and loved visiting with her every chance we got. Loved her beautiful smile , sweet soul and her sweet laughter! You will truly be missed sweet friend!
Love and hugs to your sweet family! Until we see each other again!

“ I will always remember Bernie and all of our special times we had together. She was full of life and always laughing. We had so many fun memories together. I know she loves her kids, grandson and Chris unconditionally. They were all her world. I know she is in a better place smiling down on everyone. She was definitely one of a kind and never a dull moment with her. Sending prayers for all of the family.

“ I'd known Bernadette since she first did my hair at Penney's in about maybe 1999. We became friends and she always had stories and advice and recommendations for me. She always had solutions for every situation. Too many stories to tell! She loved her husband Chris and loved that he loved them all so much. "To the moon and back" she used to say of how much she and Chris loved them. She loved her 2 children dearly. When she spoke of Jake, I could tell she was so proud of him for his ability to thrive in any situation and be a strong independent young man of good character, very honest. And she loved her daughter dearly for how she loved and cared for Collin and how they all shared so much joy with him. Also she was so amazed and thankful for how Jordan had the good practical sense and wherewithal to aid her mother in her times of need as well as on a regular basis. She told me more than once that "Jordan is so darn smart" and hoped and prayed she would soon find a career where she could utilize those smarts!! Heaven is an even happier place, having one special and wonderful angel up there! Bernadette, we shall see you again one day, my friend!

“ *My sweet Bernadette, I hadn't seen you in years but will always remember our dance routines that we would make up to share in our living room. I'll always remember you sharing your roller skates with me so I could skate around the barn. I'll always remember playing hide and seek around the barn until way after dark. I'll always remember you with a smile and a big heart. You are now pain free and I know you have good company up there in heaven* ❤️

“ I only met Bernadette once and she seemed like a very kind and generous person with a big heart. She had diabetic supplies that she was not needing and I picked them up for my husband to use. My condolences to Bernice and her family and everyone who knew her.
