“*I just loved Beth to pieces. She always reached out to me and messaged me checking on us and she didn't have to. I appreciated that more than I can express.*

“*I had the privilege of being Beth's supervisor for a little under three months. Despite our short time together, Ms. Beth left a lasting impression on me. She exuded warmth and cheerfulness, embodying the essence of a true team player. Beth consistently showed up on time and gave her best. One of the things that stood out about Beth was her deep love for her grandchildren. She often spoke fondly of them and enjoyed spending time with them. It was heartwarming to witness the joy they brought her. Though Beth's passing fills me with sadness, I find solace in knowing that she is finally at peace and reunited with her loved ones. I am grateful for the time we shared on this earth and the impact she had on her NTTA family. -Ineka M.*
