“ Betty Olson was an Angel among Angels.. Ive never met a more wonderful person in my life as Betty..She has known our family for over 70 years... for that our family is truly blessed..Betty and my mom were best buddies post college, as their new lives started out with two wonderful husbands..Same city, same company and same desires.Sadly my mother went Home to our Lord in 1977. Betty stepped up and was that mom that our family missed. She was a Godsend. . I always told her she was taking my moms place..Betty smiled with her precious smile every time I said that. She struggled the last few years physically , but never complained. No one had more courage and strength as Betty Olson. She is an inspiration to all of us.We will all miss Betty, but we shall be grateful that we knew one of Gods Angels on Earth.We were truly Touched By An Angel..
