

Betty Pine

August 24, 1934 - February 1, 2017

Betty (Conant) Pine, 82, of Pilot Point, TX, passed away Wednesday, February 1, 2017. She was born on August 24, 1934 in Lincoln, NH to Gladys (Robbins) and Lucien Conant. She served in the United States Air Force during the Korean War. In 1957 she married William Stuart Pine and settled in the Manchester/Bedford/Goffstown area to raise her family of three, Lauren, Leslie and Kenneth. She and her husband were actively involved in a local church and both loved investing their time in other people. The family moved to Florida where they often spent weekends enjoying the sun and beaches at Daytona! A caretaker at heart, Betty loved serving others. She was a loyal friend, an encouraging mentor, generous with her time and adventurous in her spirit. Betty ran a fishing lodge in Alaska for a number of years and was loved by all who came to stay. An avid gardener, Betty loved creating beautiful spaces with flowers. Through her entire life, Betty was known for her love of and care for animals and she passed that love down in her family. She lived for a time at her daughter's horse ranch, and her favorite pastime was feeding and caring for the horses. Her grandchildren, Jessica, Justin, Nathan Rachel and Andrew were the light of her life; and they remember "Grams" for her laughter, sense of humor, extreme family devotion and her servant's heart. Betty fiercely loved her family. In her later years, Betty learned to quilt and donated over a 100 baby quilts to a community pregnancy center. Though Betty lived many places, her heart remained in the White Mountains of New Hampshire. A private memorial service will be held this summer in Lincoln,

NH. She is preceded in death by her husband and is survived by her brother David, her niece Sharon, nephew Paul, daughters Lauren and Leslie, son Kenneth, five grandchildren and two great-grandchildren, Jordan and Khalaya, who will carry on her amazing legacy.
