

Bradley Scott Garnett

July 21, 1960 - January 15, 2021

Bradley Scott Garnett, 60, of Krugerville, TX, passed away Friday, January 15, 2021. Brad was born July 21, 1960 in Dallas, TX to Paul and Bonita (Stanley) Garnett. He married Kim Bradsby on September 1, 2000 in The Colony, TX.

Growing up, Brad was an outstanding athlete. He played football, baseball, and track for DeSoto High School. In 1978 he was the first round draft pick for the Pittsburgh Pirates.

While playing in the minor leagues, his greatest claim to fame was, according to everyone who witnessed it, hitting the longest homerun they had ever seen.

Brad drove a mixer truck for Frank Bartel Transportation for over 20 years.

He was a natural born storyteller and we'll miss hearing about all his escapades. Suffice to say, he had a way with words.

Brad is survived by his wife, Kim of Krugerville, TX; son, Justin Graham and wife Suzanne of New Braunfels, TX; daughter, Clare Graham-Riecke and husband Melvin of Sanger, TX; and three grandchildren, Jackson Graham of New Braunfels, TX, Tanner Riecke and Autumn Riecke both of Sanger, TX.

He was preceded in death by his parents, Paul and Bonita.

Visitation will be held 1:00PM-2:00PM, Wednesday, January 20, 2021 at Slay Memorial Chapel in Aubrey, TX. The graveside service will follow beginning at 2:30PM at Belew Cemetery in Aubrey, TX. Online condolences may be shared at www.slaymemorialfuneralhome.com.

“ *Brad played HS baseball at DeSoto, TX He was a good competitor on the diamond and a super football player. He had a lot of scholarship offers in both football and baseball and chose baseball. He was a good teammate and fun to coach. He loved to fish and take BP. We used to talk via email about his playing days. God bless you Brad and we will meet again.*

“ I had the great pleasure of playing HS baseball with Brad at Desoto. He was a phenomenal ball player and a great teammate. A great memory of mine was playing against Brad in spring training during my time with the Chicago White Sox. He was with the Pittsburgh Pirates. After our ballgames, we would take a few minutes to discuss our pro careers and how we thought the upcoming seasons would play out. But more than anything, we always ended up spending the majority of the conversation discussing our playing days at Desoto and our coach Benny Jones. I am saddened to hear of his passing and I extend my deepest sympathies to his family and the numerous friends who will miss him.

“ My memories of Brad he was always his own man, which held true to form to the end. During all the hussle and bussle of life and time flying by, raising our families, I could always look forward to that big bear hug when we did see each other. Now I wish it had been more times, but in life, as we see now you don't always have that chance. I know from my heart he loved Kim so much, he always reminded us, how he protected her. For that I loved you for loving my sister. I will miss your big gregarious voice and big personality. Rest in peace my brother.

“ Brad, I will never forget those times when you would drive your mixer truck by our house when you were working in the area, honk the horn and see you wave from the road in your big mixer. You made our day and it was always an unexpected treat.

When Mom and I would take a day trip together we marveled at your navigation skills and being able to tell us from memory how to get from here to there using main roads, side roads, and the safest roads.

I'll miss you always reminding me to drive safe when I came to visit. You cared deeply and had a loving heart. We love you, miss you, and know you are at peace with our Lord.
