“ *Brad understood the wisdom of how to have fun, express his childlike playfulness, and bring out the joy in others. We will miss you and will cherish the fond memories of our family reunions and gatherings through the years. I remember you singing the Arkansas song at your rehearsal dinner before marrying Gretchen. It's funny, because I can sing it 33 years later. Thank you for the positive impact you have had on all you have connected with this time around. Until next time. I hope you get to enjoy playing with Godzilla, music, and Jesus. We love you. Keep smiling in the Heavens above. Peace* 🕊

“ Very saddened and shocked to hear the news of Brad. Brad was a neighbor of ours growing up- Prairie Creek. Many kickball games and kick the can. Great childhood memories. He united my husband and I in marriage. Although I haven't seen him in a while- I did keep up through Facebook. My deepest condolences to the entire family. Heaven gained a good one.

“ No words can express the loss of Brad. He was the most loving, optimistic, and God loving man I knew. Brad, Tim,(our son), and Mike (Brad’s brother) were the Prairie Creek trio. Their antics e retained all. Thoughts and prayers are for Gretchen,Shelby,Ben,Will,Marley, Matthew, Patty, Bill, Kylie, and Abbey. Brad, your guardian angel, is watching over you.

“ I knew Brad at Ouachita and at Southwestern Seminary. He was a constant encouragement and we had so many good times. We laughed so much. He was a true friend and never met a stranger! My heart breaks for his family! I am still trying to wrap my head around the fact that he is gone. Heaven is sweeter and I am richer having known Brad.

“ Ben & Will - I am so sorry for your loss but rejoice in knowing that your Dad is with his heavenly Father. I was so blessed to watch the two of you grow up with my kids (Hannah & Jack) and to witness what a great Dad you had. I don't ever remember seeing him at one of your events without his camera. He was so proud of both of you.

“ Our family has been so blessed to have Brad and Gretchen and their family in our lives for many years. Brad was a good guy!!! He was so funny and brought so much laughter to all of us. He was one of the greatest encouragers I have ever known. He loved Jesus so much and wanted to share Him with everyone he could. He taught us all so much about how to love family. He was so proud of all of his and I will miss the posts and pictures he shared. I will miss Brad here but I will delight in seeing him again in heaven one day.

“ Brad Sutton is a name synonymous with community, generosity, laughter, and kindness; the sort of man that is impossible to dislike. He raised great children and always had an open, loving heart. Being his neighbor throughout my childhood, I knew I could always rely on Brad for advice, mentorship, or a ride to school. He is and always will be loved by his community and the many individuals he impacted throughout his life and career. He will be missed dearly. He played his guitar beautifully and with great confidence for my school during the 3rd grade; a memory I will never forget. Thank you for everything you did for my family and I, Mr. Sutton.
