“ There are simply no words that can express the sadness we felt on hearing about Brenton's tragic death. He was so brave and caring to have served our country and to have been thinking of the safety of others in his last moments. Brenton was a true hero to have risked his own life to help prevent the possible injury to others. We realize that your loss is profound, and we want you to know that we are thinking of you and your whole family at this difficult time. With our love and deepest sympathy, Ora, Sherry, and Linda

“ I met Brenton through baseball at lake Dallas. He was a great motivator and got me to workout and be the best I could be. Other than baseball he was hilarious and I enjoyed every second hanging out with him outside of school. RIP Smitty, you will be missed brother.

“ We love the Sniders as family and have missed them since their move. Brenton's parents always spoke about him so we felt as though we knew him well even though we met Brenton himself only once. And what an impression he made! Such a nice young man. Words can never express the sorrow which we hold for you all. We will keep Brenton and all of you in our prayers. May God bless you all and may He keep Brenton in His arms forever. In Christ...
