

Brian Joseph Faught

September 21, 1957 - December 25, 2021

Brian Joseph Faught, age 64 of Pilot Point, Texas, was born September 21, 1957 in Irving, Texas to Daniel and Loraine Faught. Brian and his wife Margot are the third generation of the Faught Family Farm and Ranch.

Brian was the ultimate outdoorsman, a true cowboy and an effortless comedian. He loved hunting and fishing, caring for his cattle, and providing comic relief with his famous one liners. He worked at International Paper for over 40 years, most as a manager of other strong likeminded men, before retiring to pursue his dream of living on the farm and working the land like his father and grandfather before him. His most beloved roles were those with no monetary value; roles as a loving husband, a proud father, and irreplaceable ol' Papa. Some of his favorite moments were those spent with his four grandchildren. Brian passed away Christmas day 2021 surrounded by his family. He was truly one of a kind and will be forever missed.

He is survived by his loving wife, Margot; mother, Loraine; son, Samuel Faught and wife Katy Faught; and daughter, Tonya McKay and husband Benny McKay; nephew, Clint Faught and wife Kim Faught; grandchildren, Brawley Faught, Bristol Faught, Banks McKay, and Breelyn McKay; and niece, Riley Faught. He is preceded in death by his father, Daniel Faught and brother, Jay Faught.

A memorial service will be held at 10:00AM, Saturday, January 29, 2022 at Slay Memorial Chapel in Aubrey, TX. Online condolences may be shared at www.slaymemorialfuneralhome.com.

Arrangements are under the direction of Bradley R. Shotts and Slay Memorial Funeral Center.

“ I have known Brian since the Willamette days. He was a great coworker and a good friend. He certainly had a dry sense of humor. He always talked of being on the farm. He loved it so much. Brian was a great guy. He will be missed. Prayer for his family.

“ Brian came to recuse Temple Inland when it was acquired by IP. He was amazing the way he turned that plant around! But...he always said that was his second job. His Farm and Cows are his first job. It's Miller Time! Kathleen

“ I am so sorry to hear of Brian's passing. I met Brian when I was just a kid. My dad and his dad were coworkers for many years and I was Brian's coworker for 16 more years. What I remember most about him was his laugh, and how his eyes would start sparkling right before he pulled a good prank. My heart is with all of you, especially Loraine. All my love, Linda Loudermilk Tomberlin

“ It breaks my heart to hear of Brian's passing. Brian and I worked together for many years at Willamette Industries. Brian was my Plant Superintendent and like a second son to me. I was just thinking of him a couple days ago and now he's gone. R.I.P. Brian! My heartfelt condolences to the family.

“ I am so sad to hear of the passing of Brian. My late husband, Terry, and I thought very highly of Brian. We met the Faught family when Terry did electrical work for his mom and dad. As I was driving down 1385 the other day, I was thinking about Brian and his mom Loraine. I am keeping the family in my prayers.
