“ Kelly my prayers are with you and Grant always. Brian will be missed In the neighborhood. He brought excitement at times. (Lol) Most of all he was loved by many of the neighborhood children. That alone tells you something about his kindness. I am so sorry and can't even really believe yet, that he has been taken at such a young age. It does not even seem real. Brian was a person that just kind of snuck into your heart and life and before you knew it he became part of your everyday life. Like You know when you Neighbors become so close that you just assume they will always be there. Brian will be missed. Kelly, I am here if you need anything.
