“ Carl was my Father in Law for 25 years. He was a true Texas original with Ranches and horses and cattle and a large loving family. I am lucky to have married into this family and will miss holidays in Tioga visiting with him. May he rest in peace.

“ I remember taking a trip to Memphis, TX with Carl and Brenda in the 90's and meeting his sister, seeing his birthplace, and the Cemetary where his family is buried. We had such a good time with him telling me the story of his youth and the history of the family. We also were chased by some Limosioune cattle for cubes. I personally named one of them Princess Lea for her curly horns. This is just one memory I have of a man that made such a profoundly positive influence in my life. I will keep the backgammon board at the ready!
Love, Vanessa
