“ Carol was a kind, considerate, and very caring person. She was a past member of St. John the Apostle Catholic Church in Terrell, Tx. My husband and I attend here. This is where I got acquainted with Carol, I saw her at her PE class at school. My granddaughters were in her classes. After her illness I lost touch with her. I am so sorry to hear of her passing. I want her family to know I have each of them in my prayers and offer my sincere sympathy to each member. God bless you all. May Carol rest in the arms of Christ.

“ I lived across the road from "school teacher" as we called her. When she moved in I don't think she knew what to think about me and my friends. We were pretty wild for the time. Before long we became friends and helped each other keep our cows inside our own fences. Carol always kept her place nice and was a great neighbor. I will miss her friendly smile and over 30 years of knowing a fantastic person”

“ Coach Heuman was a delightful person to work with. She loved the children of Wills Point and she loved her animals. She worked so hard to make PE & Field Day educational and fun. I miss seeing her walking around the track or the halls when she wasn't teaching. We loved her dearly, she will be missed.
