“ I knew Carolyn when we were classmates in high school in Sherman, I had a nice conversation with her a couple of years ago and regret that she didn't get to attend one of our reunion activities because it's always nice to be able to recall some good memories with old friends. Her family will be in my thoughts and prayers.
Sincerely, David Hall

“ *Offering my deepest condolences during this difficult time; death is something we are never prepared for. Though sometimes we feel powerless to change circumstances in our lives, it is comforting to know the Lord is in control. Please find comfort in knowing God has promised He will do away with sickness, pain and death. I know as we grieve, all of Heaven is rejoicing. His word is truth. God will give you strength during this time of loss. Martin Cooper*
