“ My sweet thoughts of my mother will remain deep in my heart. She might've been silent in the ways she did things but she was always the backbone of the family that kept it together. She was always there for own children as well as her grandchildren. She loved each child equally. Her children and grandchildren was her motivation in life. Her memories will remain close to our hearts. I'm glad that your at peace with Carol, Dad, Grandma Tillie and Maudie. You all will be missed. Our comfort is we'll see again. Allow God to hear your beautiful voice up there as he did her. Love you Mom. Thank you being my sweet Mother.
