“ Casey. Among your family you had loads of friends show up including me and Amanda to say our last goodbye, seen loads of tears and a long stream of cars. You were a good friend to many. I know you were the type of person that would do anything for anybody that asked as I seen that many years ago. You would give the shirt off your back with no problem ! You didn't like to wear them anyways. (Smiles). Prayers for your family and friends to find a way to turn the tears to smiles with awesome memories of you ! Prayers for you, that you took God's hand and walked with him to be with your daughter and Grandpa. Hope you get to climb the highest tree, just don't cut it down ! RIP Casey
