“ I was blessed with meeting Wayne in 2008 when the Sweat Team traveled to Houston to assist with the cleanup from Hurricane Ike. For the next 15 years I was fortunate enough to be acquainted with Wayne as he led the Sweat Team and ministered to countless people, including me, with his heart of gold. The way that Wayne would take every opportunity to minister, share the gospel, lend a helping hand and serve those God put in his path will always stand out to me. I am thankful for the example that he set on how to live with an eternal mindset and how to store up treasures in heaven. Thank you to the Carrigan family for allowing Wayne to give so much of his time and heart to the Sweat Team and the Denton County community. I am truly grateful to have known and been blessed with so much time to serve alongside Brother Wayne and will cherish his memory and the lessons he taught me for the rest of my life.

“ I was one of the fortunate ones to be part of the youth group at church (around 6th or 7th grade) when Wayne & Marilyn were still involved with helping out. I'll never forget the times of meeting up at their house after Sunday night church...eating nachos....circling up around the perimeter in their living room and playing games...particularly one with a wooden spoon! I remember one time we had a youth campout at Lake Texoma and somehow a buddy and I ended up riding with Wayne in his little Honda Civic Hatchback. Even then, he didn't miss an opportunity to share plain truth with us; love Jesus, follow Him, and serve Him.

The steadfastness in his love for Jesus, "Sugarbabe," his family, and sharing his faith is something I will never forget. Wayne would pick up hitchhikers on the side of the road (quite often, if I remember correctly) just to have another opportunity to share the Gospel.

Although he never pastored a church, his life always preached. He was an influencer long before that title was diluted. I always remember looking forward to driving past the sign at Wayne's Carpet to see what bible verse (or birthday announcement) he would have on display for the many cars passing by every day. Wayne never wanted (or needed) a spotlight, he was simply faithful with every opportunity God gave him.

Only heaven will tell how many lives Wayne Carrigan touched for the kingdom.

I'm sure it will be quite a lot.

“Knowing Wayne Carrigan was, Simply Put, “A Pleasure”. He was just a face of Cousins at my Great Grandfather’s place as just one of the Older Kids. As Young Married’s, Margaret and I, would see him at Family Events. His Dad and My Grand Father were Brothers. My Grandfather, the oldest, and Wayne’s Dad, the Youngest Boy, were Brothers.

Later in life he would send us a Super Flooring Installer Guy to work in our new house and who was a true professional. In later years he would always help with the annual Carrigan Family Reunion, preparing for it, cooking Vat Fish for it, cleaning up after it, his hands were always available, willing and active. As a Denton Bible “Sweat Team” member, I encouraged Wayne to come to the team which he later became the Director and Faithful Servant for the many families and needy ones.

So many memories as a Leader, a Loving Friend, a Humble Servant, and Faithful Christian, with his Loving Wife, and True Sole Mate, Marilyn. To think that he will be missed is an understatement. Our consolation is that he has gone ahead of us. Once more, Leading the Way to Our Eternal Reward, of Life Everlasting, with God the Father and His Son Jesus Christ.

Praise God for men like Wayne Carrigan,

“ Years ago I was introduced to the Sweat Team as they were at a home in my neighborhood working their awesome ministry. My husband, Ernie, and daughter, Tracy, were part of the team. Tracy got me to join them that day, and that day I was introduced to Wayne Carrigan. In no time at all, I saw Wayne's servant heart with its passion to help widows, the elderly, the fatherless young people, and all who were down and needed an uplifting hand. My heartfelt condolences to Wayne's family. I know you will find peace knowing he's home with the Lord. I also hope you find great joy knowing how many hundreds of lives, including mine and my little family, have been so blessed because Wayne was part of them. I miss you so, my friend!

“ Wayne was a true man of God, and he displayed God's love to everyone that he came in contact with. I was blessed to work with him in Watch Station Ministries, and I learned so much from his example and his servants heart. He changed so many lives and I will continue to miss him greatly.

“ This makes me so, so sad... Wayne served my family many times with the the SWEAT Team. Being a single mom of two with no family in the US to help out, my yard tended to grow a bit out of control. Wayne would check on us each year and each time they showed up it was to me like Christmas morning. Such a kind, godly, humble gentleman! He will be sorely missed, though I rejoice he's in the arms of his beloved Savior! Praying for his loved ones.
