

Charles Blake Flynn

November 1, 1952 - July 20, 2021

Charles Blake Flynn, 68, of North Richland Hills, TX, passed away Tuesday, July 20, 2021 in North Richland Hills, TX. Blake was born November 1, 1952 in Birmingham, AL to Charles H. Flynn and Jeannine DeFrieze.

Blake was a high school phenom in track and sporting events; so much so that he was offered a football scholarship to Northwest State University. He owned his own tree service that was a successful and well-known business. Blake had integrity and he stood by his word.

Blake was a friend to everyone, never met a stranger and could always make someone's day brighter. He genuinely made everyone feel wonderful. He loved spending time with his family. Blake loved his sons immensely; they meant the world to him.

Blake loved horses and riding them was his greatest pleasure. A cowboy true to heart with the cowboy spirit he blazed a trail through life and most of his career. True to the adage, "work hard," "play hard," and "give hard," Blake lived his life with meaning. When Blake gave you his time, he gave a portion of himself he could never get back. As a cowboy, he never looked down on anyone, but he lifted their spirits up with his genuine cowboy way. Blake will be missed and remembered by many with great love and memories. This Cowboy took his last ride home.

Blake is survived by his sons, Aaron Blake Flynn and wife Jocelyn of Oro Valley, AZ and Cody Miles Flynn and wife Kaitlin of Aurora, CO; brother, Brandon Flynn and wife Sandy of Whitesboro, TX; sister, Rory Flynn Adams and husband Jim of Keithville, LA; nieces, Heather Revette and husband Kevin of Plano, TX, Brandi Carney and husband Brady of Muenster, TX and Lindsey Grigsby and husband Rob of Denton, TX; many extended family; and close friends, Larry Wells and Jim Rominger.

Blake was preceded in death by his parents, Charles and Jeannine; and aunts, Robin Honeycutt and Betty Logan.

A funeral service will be held at 1:00 PM, Tuesday, July 27, 2021 at Slay Memorial Chapel of Aubrey in Aubrey, TX. Interment will be at Pilot Point Community Cemetery in Pilot Point, TX. Online condolences may be shared at www.slaymemorialfuneralhome.com.

Today is your birthday and I can't even call you to wish you well. This is the one of the first times in many years. To say today I miss you sounds so unjustified. You were one of the one's I thought would always be here because you always were.. Some have come and gone with little importance. You my friend were special. Rest easy Blake. You were one in a million..... Happy Birthday in Heaven. 11/01/1952

"So tip your hat to the cowboy every once in a while. And take time to remember that cowboy's smile"

Happy Birthday a little early Cowboy. I may not have written in a while but I promise I have thought about you multiple times. I am still not over the fact that I can't call you up and hear your voice. I hope from that countryside in the sky you can look down and see how you are missed.

RIP Cowboy! Happy Birthday!!

I met Blake in 1998 or 1999. He was certainly special. One of the few real cowboys in Fort Worth and a true gentleman. Hearing of his passing was a shock to the system. Thank you for the memories my friend. Know you are loved.

“ *Sadly, I learned of Blake Flynn's passing. I looked up to him because he was usually way up in a tree. Now you look down upon all of us from the best and highest place of all. You were an authentic cowboy, and more importantly, you were an authentic person. I was privileged to have known you. Rest in Peace Blake.*

“ It was a short time ago that I met Mr. Blake. I met him at work, and he was always a very special and respectful man. I loved the way he was, he always was kind, respectful and loving. At the beginning it was hard for me to remember his name and some time's he was little angry with me, but he call me girl with a smile like one of these days you will remember my name He had a lot of patient with me. I loved to hear his stories, he really was a very kind man, I will miss you Mr. Blake. I pray for his family have comfort and peace for their loss.

“ Cowboy Blake Flynn was like a brother to me. A real Working Cowboy. Not a Drugstore Cowboy. We played Ball together. He went on vacations with my family many times. I wept when Larry Wells called me from the Hospital. He has joined his family to do God's work. God Bless his family

“ Blake and I were friends a long time. Him and his friend Joey would come to my home and Blake would take naps on the couch with my blue tick hound.

With Blake's passing a void will forever be empty. His Kindness and character will never be duplicated. He soars in his new vessel as an Angel
