“ My heart aches for this sweet family. I kept Tyler and Dawns oldest when he was just born and Dawn had to go back to work. We were next door neighbors. Dawn was as sweet then as she is now, a fabulous blessing to all. Tyler taught me to three-step back in the day. I gave to the go-fund-me. I did not realize he had passed until Saturday. I always remember him smiling as he spoke and Dawn smiling as she watched him speak. She would nod and he would hug her shoulder. This world is better because of Tyler, Dawn, Clark, and Mrs. Gulette.

“ It was a real privilege to have known Tyler. He had a very special way of communicating with you - whether by words, singing hymns or country songs, beating those drums, strumming his guitar or behind the pulpit. I was proud to call him "Friend". A special person. I will miss hm. My heart goes out to his wife, Dawn and mother, Mary Ann, especially - and also to the rest of his family. God bless, Barbara King.

“ Tyler's earthly journey is over but his Heavenly journey is just beginning. I know that Fuzz, PaPaw, Daddy Bob, and Uncle Aubrey were all there to receive him. The Lord is merciful. He saved Tyler from the physical sufferings he was enduring. We will miss him only until we are reunited with him.

“ I met Charles Tyler when my grandson passed in late March 2019. Tyler was gracious enough to officiate at his services and was such a kind, gentle man. He gave a wonderful service and was so compassionate. I felt so fortunate to have met him and grateful for his compassion. Rest in Peace Tyler.

“ Although your journey with us was brief, you are now where you want to be "free". We embrace those precious memories you left behind reflecting in our own minds all that you were to us. Until God calls us home, you will always be on our minds, and forever in our hearts.

“ Dawn and Family I am so sorry for your loss I have known Tyler for many years and he spoke at my dads service (Jack Brown) and sang , he had a voice of an angel which I never knew he sang like that he was a great musician as my dad would say and a humble caring godly man. My heart goes out to you as I do know what your going through. God needed his angel now but he will always be watching out for all of you. may god bless and hold all of you close in this time of sorrow.

“ Barb and Alan, Dia and I send our deepest sympathy to you and your family. Although I did not know Charles personally, I do have fond memories of him through Alan as Alan spoke of Charles to me on many occasions, always in a loving and respectful manner. He also bragged on Charles in a mighty and positive way. No doubt Charles was greatly loved by many, and knew his Savior.
