“ *Eliot, Daniel, Cristal and Family, words are hard to express the loss of your Dad Charles. He had so many different and unique relationships with the people he knew. He had courage, hope and heartfelt helpfulness. He was resilient, results oriented, a quiet man who loved his country. Most of all he was a loving dad. I am so honored to have had Charles in my life. He always knew exactly what to say at the exact time I needed it. Love, Denise*
