“ Paw paw always treated me like one of his grandkids. He was always very welcoming and telling Cassidy and I stories every time we would come over and visit. It was always a joy being around him and in the short time I had spent with him, I loved every minute and only wish I could get one more hug. I’m devastated and my heart breaks for all of you during this time. Rip paw paw 🙏❤️👍

“ If you never made it to a field party then you were definitely living life all wrong! Charles to many but “bubba” to me had many of those field parties! I rode my first bucken barrel bull in that field hell I even had my first Coors Light in that field! I even fell into a fire pit in the field and bubba immediately picked me up and put my hands in a ice chest full of ice and beer to keep my hands from blistering! Life was an adventure growing up with this beloved man around from Christmas shopping with him to helping him bring his own life like Monopoly fishing board game come to life! Thousand Trails will always be something I cherish for the rest of my time here on earth! This is not how I ever imagined I’d be saying I’ll see you again! I love you and will miss you dearly! You and Brandi Michelle share a cold one and give ‘em hell! ❤️

“ Charles was my cuzn....his father and mine (Clovis Vance) were brothers.  
I think the last time I saw him was around Dec 1967 at Christmas time.  
My youngest bro "Kenny" and I took a Greyhound bus to Dallas as our Uncle Kenneth  
who owned a used car dealership there had called me and told me the  
car I had been making pmts towards had finally accumulated to the down pmt he wanted.

That saww Charles there and this was the last time I saw him.  
My mom told me that our mutual grandma was American Indian but she  
didn't know which one. I contacted another  
cuzn "Gary Vance" and he said Charles was creating a biography on our family

He gave me a phone number on Charles and I called him.  
we had a nice long conversation...he filled me in on our mutual grandma. We laughed as we re-lived memories from years back.  
He asked me to stay in contact and I said I would but my wife of 30 plus yrs had died from cancer and it caused me to fall into depression. i seeked counseling but it took 2 yrs before I came around.

The odd thing is I had told my oldest son Stephen yesterday I had Charles on my mind and I needed to reach out to him. The next thing  
I knew our other cuzn Gary Vance sent me a msg yesterday and told me Charles had died that very day from cancer.

Charles...I see your picture here...you definitely look like a Vance.  
Forgive me for not contacting you like I promised. Rest In Peace

“*Charlie was always a good friend. I met him around 2002 when I first came to Little Elm. He was a joy to be around and always had a story. He talked a lot about his kids and Grandkids. We used to meet weekly at the Pirates Cove during Karaoke. He will be missed by all who knew him.*
