“ *Where do I begin? What a sweet loving boy, you had the biggest heart and also a passion for life.*

We all were busy in different places; loved seeing you on holidays; each Christmas we would see a new Chase with hair to match! And such a passion for life honey!

You excelled in all sports as I remember; Jan was always calling me to update on you, so many things going on all the time. From football to wakeboarding, to motorcycle riding, you were into everything outdoors and such the adventurer. Jan's updates to me include different hair colors, baseball and football stories, and all the places your were shining.

Jan (your Grandmother) called me breathlessly on the phone one day you'd just taken her on a dirt bike ride that scared her to death, but like you, she was laughing all the way!

Sweetheart, you are loved and we will reunite with you some day soon. Dance with angels till we meet again!

All our family's love, Your Auntie Becky

“ *Been thinking about a lot of memories of us growing up since hearing the news. We rode our bikes all throughout PP, catching a lot of football and baseball pick up games at the park and friends back yards. Then after we'd ride up to your families auto parts shop and get cold drinks out of that awesome old coke machine. Your legs were fast as hell which helped you excel in sports and you always had different color of hair for the seasons. You were always a good friend to me.*

I'm thankful for the time and memories we spent together. Rest easy bud, until next time. #11

“ *Chase you were such a joy to be around when you were just a little baby up until I moved away when you were about 10. Your mom and I and my daughter Lecia Money were so very close when you all were little.*

You and Lecia were just a month apart in age and we were so very very close.. seeing pictures of you as you grew older was such a joy to see how handsome you became as a young man.. you will be missed by many and you were loved by all who knew you. May you rest in peace and God bless your sweet soul. Love you sweetie.. forever!

Well Chase... sometimes others forget and have forgotten about the parts of this world that we have with time to think about who and what we spend our energy and time on. I've spent a lot of time thinking and dreaming of what it would be like to stand next to you now and be like kids again. I feel you every day now instead of wondering where you are.

I was married for the last 20 years and never had the chance on Earth to chase youuuuu but I'll be your Demi forever ☺ I love you to the Sun and Back! 🙏🙏🙏🙏🙏

Love,
