“ Our hearts are truly heavy as we send our deepest condolences to your family. There are no words that can fully ease the pain of such a profound loss, but please know that you are in our thoughts and prayers. To his parents who lost their son, to his wife who lost her husband, and to his daughters who lost their father and siblings who lost their brother our hearts ache for each of you. We pray that you find comfort in the love you shared, and strength in the memories you hold close. From our family to yours, we are lifting you up in prayer during this incredibly difficult time. “ Christopher was one of those rare people who brought warmth and joy wherever he went. He was so sweet, always wearing a genuine smile that made everyone around him feel at ease. All our kids absolutely adored him because he never hesitated to jump right into the pool with them, laughing and just having a memorable time.

We were truly blessed to have him fly out to Cancun to celebrate our wedding. That week meant so much to us, and Christopher made it even more special by always making sure we were taken care of. His kindness, his presence, and his joyful spirit added something unforgettable to that time.

He was the perfect complement to Whittney, and together they created a beautiful life. He was also a wonderful dad to Noa and Nova, and it was clear how much love he had for his family.

My heart and prayers have been for the family since I heard of his death. I keep having these surreal moments about his role and the many lives who have to adjust to life without him. I know that death is a part of life cycle but, it's so hard to shake the fact that he is gone so soon.

I pray God's comfort and peace for the family in the days ahead.

“ *To think of Chris is to think of "BUBBLY" personality, huge smile and one that looks at life as a vast ocean ready to conquer! I can remember young Chris as one of the neighborhood kids playing with our kids. They've all forged friendships into adulthood and have had the beauty to watch one another's lives evolve from children to adults conquering careers, families, parenthood and tons of new relationships along the way. Chris embodied all of it with a beautiful spirit. We were so thrilled to see his love for his wife and kids, his family and even his friends. Still can't believe he's transitioned to the next world, but we know he's left an indelible imprint on many individuals lives that will last a lifetime for each. May you rest in peace Chris and continue to be there in spirit for your closest loved one's as they will surely need your spiritual presence in the journey ahead. Rest in Heaven.*

“ *Many memories come to mind when Christopher and his family came to Anna. He and his siblings became friends with our children and I grew to love his parents. Our neighborhood was close and filled with love and friendships. Christopher has always had a larger than life personality and he truly made this world much brighter. May God bless his family as we pray for peace for all.*

“ Oh dear Christopher this hit deep and is hard a hard one to take. I promise you will be truly missed. As the first born granddaughter of Claudia Mae I've watched many cousins enter the family and you came with a light over you that was amazing when you entered a room. Your laughter jokes and songs you taught me when I visited Texas for the first time and being such a big baby I had never seen before and I remember trying to hold you correctly careful not to drop you , These are memories I get to keep forever. My kids my husband my family loved you Thank you for witnessing my wedding I'm grateful you came. We are all hurt that your time on earth has passed. I pray You be the light over your Twins lives and watch over them as they continue your legacy on earth. Sending healing ❤️🙏 prayers to my Uncle Leroy and my Aunt in law Carmen Cunningham. Until we meet again baby cousin I LOVE YOU DEARLY
