

## Christopher Dale Myre

January 29, 1958 - March 30, 2014

Christopher Dale Myre, 56, of Providence Village, TX, passed away Sunday, March 30, 2014 in Denton, TX. Christopher was born January 29, 1958 in Paducah, KY to William and Ruby (Moore) Myre. He married Martha Vail on December 27, 1981 in Dallas, TX. He was valedictorian of his 1976 graduating class of Paducah Tilghman High School in Kentucky. Chris graduated summa cum laude from Vanderbilt University in 1980 with a double major in Physics and German. He moved to Texas in 1980 and earned his Medical Doctor degree in 1984 from Baylor Medical School in Houston. Though Chris kept his medical license current, he worked for most of his career as a software engineer, most recently at Southwest Airlines in the Southwest.com group. Chris had a beautiful baritone voice and loved to sing. But his most current passion had been writing an economics blog at [www.tosoc.org](http://www.tosoc.org) ([www.theothersideofcapitalism.org](http://www.theothersideofcapitalism.org)). The blog reflected his deep concern about the plight of the poor and the problems of caring equally for all God's children. The accomplishment of which Chris was most proud was having raised his three children to adulthood and the joy of being a grandfather. His family was the center of his life. He is survived by his mother, Ruby of Paducah, KY; spouse, Martha of Providence Village, TX; son, Christopher Dale Myre Jr. of Plano, TX; two daughters, Amanda Myre and husband Todd MacDermid of Seattle, WA, Rachel Myre of Irvine, CA; grandchild, Ada MacDermid of Seattle, WA; brother, William Myre, Jr. of Austin, TX; two sisters, Libby Myre of Columbia, MO, Ann Myre of Paducah, KY. He was

preceded in death by his father. The family will host a private memorial service. On-line condolences may be shared at [www.slaymemorialfuneralhome.com](http://www.slaymemorialfuneralhome.com). Arrangements are under the direction of Terri Slay and Slay Memorial Funeral Center, Aubrey.

“ My goodness. I was sitting here today on my day off looking for old classmates when I can across this. To say that I am floored would be an understatement. Chris and I grew up together drawn together by our love of music, specifically, the violin. I can remember starting to play alongside him in Jr. High School all the way through our senior year in HS. While Chris was voted as the Most Likely to Succeed I am afraid I wasn't nearly as smart as him. However he always treated me with kindness and as an equal. I always enjoyed the time we spent together side by side hammering out the likes of Beethoven or any of the other greats. I lost contact with him after we graduated as most High School classmates do, but I always knew he would fulfill his selection as Most Likely to Succeed.

“ My deepest condolences and heartfelt sorrow for the loss of my childhood friend Chris. We shared many happy times growing up in Paducah. He was so smart, but my best memory of him was when he got his first base-hit on our little league baseball team. He and I would play catch and practice hitting baseballs, but it was not easy for him. He continued to work and try very hard. After many strike-outs, one game Chris got a hold of one and got a base-hit. The team and all our families, friends were cheering like we had won the World Series. Chris was so happy and it was a very special moment for all of us. I will never forget him. Tyler BourneClark
