“ Today is such a special day... but it's also very bittersweet. Today I'll be celebrating your 24th birthday while you're dancing in the sky. I'd give anything to see you close your eyes and blow out your candles, but god had bigger plans for you. It's taken me time, but I'm slowly learning to feel your presence. It's amazing how you send me signs, how you let me feel you're with me when I need it the most. Knowing you're at peace is the only thing that shines a light as I'm learning to live life without you.

I love you so much and miss you so much more. Happy Birthday in heaven baby boy!
