“ To the Lewis family, Kai and Lina: while I did not know Colby well, I grew to know Lina and she shared her life journey with my son and me over the years. From our time with her - we know Colby was the doer, the champion, a kind of man, and he was the best husband and dad. We knew that from the love she carried every day that we saw her. I can't believe the challenges and heartbreak your family has gone through over the past few days and can only wish you the best, share my prayers, and ask the Lord to give you solace, peace, and the strength to keep moving forward - because that's what Colby would want you to do. He's was a wonderful man, he'll continue to be the best father that boy could ever ask for, and I know from the bottom of my heart he was one of the best husbands on this earth. James and JT Fuller

“Coby you didn't just teach me to lift, you taught me that I **COULD**, and that I **COULD** change. I lived my whole life thinking I couldn't change myself mentally and physically. Thank you for setting me free.
