“ *I have very fond memories of Sue while living in Aubrey. I would often stop by the house while living at the Circle Y where she would take me on a grand tour of her latest creations. She was creative and this was seen throughout her home with the crafts and decor she put together. I learned from her that you could duplicate marvelous expensive things for much less than you would spend in a store. She even took me down to Fort Worth one day to go visit some of her favorite home decor stores, always looking for ideas. Sue loved to make her gifts, and made me a beautiful pillow and table setting to help decorate my new home at the Circle Y. Sue loved her animals, she loved to dance, had an infectious laugh, and was very proud of her children and grandchildren. Sue you always made me smile and you will be missed,*
