“ *I had the privilege of working at the tanning salon where Corbin was a regular, and he truly left a lasting impression on all of us. He brought so much fun, kindness, and energy every time he walked through the door. His curiosity, understanding, and sense of humor made each day better. Corbin had a special way of connecting with everyone—he’d sit and chat with us for hours, even coming behind the counter to check in other customers. On my last day, he surprised me with a beautiful flower arrangement and balloons, a gesture that perfectly captured his thoughtful and generous nature. Corbin made everyone feel seen and appreciated, and he will be deeply missed.*

“ *I’m am Corbin’s boxing coach, in the brief amount of time we shared together I saw and experienced how much of a great person he was, and how his smile and energy would light up the room. he was a great young man with such a genuine nature about him self. My kids really gravitated towards him as he was so good with kids, he will definitely be missed by me and my family as well as the whole LBT team. as we are deeply saddened may god rest his soul and give piece to his family friends and love ones.*
