“ My beautiful Coco. Your joyful energy was contagious and your
smile lit up every room. I am so grateful for the time we had
together, the many laughs we shared, our close talks during hard
times and the wonderful memories we shared. I pray that the pain
you felt has been lifted now that you are home. As hard as it is to
say, this is not a goodbye and know that you will always be with us,
our beautiful guardian angel. Keep on “dabbing” girl - until we meet
again! Love you friend ❤️

“ Corina wanted to go fishing so I took her on Lake Lewisville. I think she liked that lake! It was a great beautiful day just like the other times I saw her on that lake. We didn't catch many fish that day. But Corina managed to bring in a few fish in the boat! We laughed talked about her boys and times at Rodeo, she loved those boys and her family and many friends! Will miss you Corina!! Much love! Will miss that smile!! Gods Angel in my eyes!
