

Danny Ray Morrow

March 13, 1937 - March 17, 2018

Danny Ray Morrow, 81, after a brave fight, passed away peacefully Saturday, March 17, 2018 at home surrounded by those he loved. He was born March 13, 1937 to W.C. "Boney" and Elsie (Yarbrough) Morrow in Pilot Point, TX. His visitation will be held 11:00AM, Thursday, March 22, 2018 at Calvary Baptist Church in Pilot Point, TX, a town he dearly loved. Services will follow at 12:00PM to be officiated by his friend, G.A Moore. Interment will be at Pilot Point Community Cemetery following the service. A memorial service will be held at White Bluff at a later date. Danny had retired from Northrop-Gruman as a Systems Security Analyst, and he and his wife, Elaine, moved to White Bluff Resort, where he enjoyed golf and an active life style. His favorite memories were of the friends and good times growing up in Pilot Point, TX. Danny's outgoing spirit enabled him to attract many friends. He was always dependable, the first one to offer help in any time of need, no matter how large or small the task. Danny had a strong constitution, battling cancer for several years while refusing to drop any activities. Special thanks to all the people with Providence Hospice. He is survived by his wife, Elaine of Whitney, TX; and his daughter, Niki Morrow of Fort Worth, TX. He was preceded in death by his two brothers, Reuben and Weldon; and sister, Nancy Howell. “ *I worked with Danny in the 1960s in the computer department under Carl Rice. He attended Tommy Collins and my wedding in 1970. Danny was a very honorable and loving and devoted father and friend.*

“ *My condolence to the Morrow family. I have so many fond memories of Danny. We were bowling team mates back in the '70's (I think) along with Harold Spooner. When I dated Harold, we were always doing something with Danny. We had so much fun and Danny was always the bright light in the group. He will be missed but his memory lives on.*
