“ *David and I worked together on project at MBNA for years. He was excellent at his job and a real pleasure to work with. He had a great sense of humor and a wonderful smile that went with it. I am so glad that he found love and had the family that he always wanted. Please accept my deepest sympathy for you and your family in your bereavement.*

“ David has always been nice and caring. I know you had a good life with Toni, Shannon and Sophie. You enjoyed your place as we do everytime we come to visit you. It will not be the same the next time we come for a visit. Rest easy my friend, 'til we meet again.
