“ David although you are gone you will forever be in our hearts. You were more than an uncle to my children; at times you acted as a father to guide them and for that I'll forever be grateful. Thank you for always being there for them whenever they called on you. Thank you for the last memory of sharing your home, taking me to the airport , cleaning my car and getting my oil changed. My brother, always the gentleman. I love you for always being solid; always being true. Forever in my ❤️.

“ David and I (Kouri Washington) played ball together at Wichita West, Fort Scott and Panhandle State. We lost touch when I moved out of town but what a great friend he was. He was always there when I or anyone needed him. He was very humble and always willing to give a helping hand. My sympathy to his wife and children, we lost a good man. R.I.P. my Brother, i will always have the memories we shared. Win or lose throughout our football career we where always together and had each other to lean on. Rest easy my man until we meet again.

“ Our sincere Condolences to Monica, my big sis Willie, all the children, grandchildren and family members. It truly saddened our hearts when we learned of David’s passing. It actually took a day or so for it to sink in. David was such a respectful young man from the time we met him. He would always give me a hug or speak whenever he saw me. David was the kind of young man you’d be proud to have as a son. Family, know that we have been praying for you since last week and we will continue. Just know that as the song says “God will take care of you” He will do it. God bless you and we love you all dearly. Ronald and Wanda Coleman.

Family members are given to us without regard for how we feel or think. But friends are chosen. I proud to have had David as a friend! God keep you and comfort you during this difficult time.
