“ *Debbie was a great teammate. We did not always agree, but there was always respect and laughter. We “got” each other’s sense of humor, and quickly realized we were more alike than not. We shared many laughs together, and we did a lot of good for the community together.*

*I learned a lot from working with Debbie... about her, about the childcare program, and about myself. Im honored to have served with her, and am proud to have called her my friend.*

*Rest in eternal peace, Debbie, in the tender love and mercy of our Lord. Enjoy the eternal rewards which you so justly deserve. We will miss you here on the Earth, but we will rejoice one day when we shall meet again.*

“ *Debbie was a joy to work with. I will remember her smile and kindness. She was committed to her work and had strong ethics. We often opened the building at the old location for CCS to have a little time for chatting or discussing work. She was a friend, and will be greatly missed by many.*

“ *Debbie or as I called her DTT (Debbie Tribble Trouble). Every time I saw her coming my way I knew she has something good to share or she was about to hold accountable for something. I appreciated her friendship, honesty, and ability to keep me in check. She is and will always be someone I love dearly and she will live on in my heart forever. I will miss our talks and the “I love you” that we never ended a call without saying. My condolences to her family, friends, and loved ones. She is a true diamond and friends like her only come once in a lifetime.*
