“ My son attends the speech clinic at TWU & we just heard of Michele's passing. She has been a part of our lives, 2 afternoons a week, for the past several years. I will miss our weekly talks at her desk, her beautiful smile & most of all, one of the best laughs I've ever been privileged to hear. My sincere condolences to her family, whom I know she loved more than anything in this world. May God comfort you through this difficult time.

“ This lady was incredible to me. She saved me from my own fears and taught me to see life from a completely different angle. She was always giving and willing to share knowledge. But mostly, she loved Leslie and was always so proud of her. We've lost an Earth Angel.
